PINNEY, KNOWLES TOP PODIUMS AT BROOME-TIOGA WINTER SERIES

Hurd Motorsports, promoters of the world class Broome-Tioga Sports Center facility, hosted the third round of the fifth season of their Winter Mud and Snow Scrambles Series. The series continues to grow and now consists of ten rounds running from November thru April utilizing the multiple motocross tracks, grass track and single track trails of this massive facility. The series continues expand and has been attracting new racers to this unique and challenging series but also continues to attract some of the most experienced and talented off-road riders from upstate New York and beyond.

Round three dawned under overcast skies and mild temperatures. The east coast is experiencing the warmest December on record which makes the Winter Series more like fall or spring series. Rain fell the night before race day which made track conditions slick and muddy for the youth scrambles. The mild temperature helped to dry out some sections of the racecourse and track conditions steadily improved as the race program advanced.

When the green flag dropped for the start of the Plus 50 bike scramble, Steve Deemie, Steve Delelys, Richard Bristol and Kevin Quick led the pack out of the first turn and onto the racecourse.

Steve Deemie (525), Steve Delelys (22), Richard Bristol (540) and Kevin Quick (27) lead the start of the Plus 50 bike scramble.

By the start of the second lap, Rich Pinney had worked his way through the field and had taken the lead and had a two second lead over Deemie in second. Jeff Oakley, Delelys, and Bristol rounded out the top five.
